

2007

Natural Harvest Farm

Community Supported Agriculture
Sustainable Mini-farm
Share the food,
share the moments.

The Soul Food

From the soil
to the soul

Seasonal vegetable, fruits
herbs and flowers.
Direct from the farm to you.

For 17 years Natural Harvest Farm has used NO human-made pesticides, fertilizers or hormones. All food is grown naturally.

The farm is on land held in trust by Oregon Sustainable Agriculture Land Trust, a charitable organization dedicated to protecting rural and urban agricultural lands from encroachment by non-agricultural uses.
